

MEDICAL CERTIFICATES

You'll need an [FAA Medical Certificate](#) before you can fly solo.

Medical certificates come in 3 classes.

1st or **2nd** class is necessary for an aviation career.

3rd class is for private pilots only.

Here are the
required medical
standards.

practice quiz.

800-USA-AOPA (872-2672)

medicalassist@aopa.org

Use [MedXPress](#) to start your application.

Then, schedule an appointment with an [Aviation Medical Examiner \(AME\)](#)

The AME will complete the remainder of the process.
